

Free health checks for
Growing Businesses

**DOES YOUR
BUSINESS
NEED A
HEALTH CHECK?**

Worried about how increased costs are affecting your business?

Are you complying with changes in legislation?

How will your business respond to the current economic changes?

To set your mind at ease, Business Gateway West Lothian is offering FREE Business Health Checks to local businesses.

A business health check will help you to:

- Review the key areas of your business
- Provide a structure to prioritise and plan for change
- Provide a management tool to measure the impact of change
